Hi Abigail,

Would you be able to send me her answers? I'm going to try to replicate the error message on my end by re-entering.

Thanks,

Emily Kraft

Emily,

I am having problems posting the EPDS for . She miscarried so I tried to put zero months and it created an error. Then I tried it with 1 month and I tried it with 2 months and I still got an error message. Am I to report this to you? (It just says "contact us").
